

MENTORING@8400 PROGRAM FOR HEALTHTECH CEOs

Now more than ever, join 8400's prestigious mentoring program for CEOs, where CEOs of promising biopharma, medical devices, digital health & health IT, tool & diagnostics and bio-convergence (HealthTech) startups can benefit from the guidance of seasoned, world class leaders. Following 4 successful cohorts, this November, 8400 is launching its fifth cohort of the **Mentoring@8400** Program. [See the elite mentors of our cohort #4](#)

Application now open for cohort 5

Mentees applications due by September 24, 2024
[Mentee Application Form](#)

WHAT WILL YOU GAIN AS A MENTEE?

- ✓ Unparalleled opportunity for focused individual guidance by a top mentor from the HealthTech ecosystem
- ✓ Access to a team of world-class mentors with relevant background and knowledge
- ✓ Assistance in taking your company to the next level
- ✓ Promote your professional growth as a CEO
- ✓ Support and guidance in achieving your corporate goals
- ✓ Participate in a structured program offering peer-learning, case-studies, and round table discussions

YOU ARE A POTENTIAL MENTEE IF:

- ✓ You are a CEO of a high-profile HealthTech startup, who can benefit from continuous discourse with seasoned industry leaders
- ✓ Your company has already established a well-defined product or service, an understanding of the intended market and competition, an initial business model and has raised capital

MENTEE COMMITMENT

- ✓ One mentor<>mentee meeting per month for a duration of 9 months
- ✓ Attend opening and closing workshops in addition to three group meetings, which consist of networking and round table discussions
- ✓ Annual program participation fee of 7,000 NIS (VAT included) to cover the program's direct cost

Mentors applications due by September 19, 2024
